Bundled Portfolio Service (BPS) – Community Choice Aggregation (CCA) customers choosing to return to SCE's BPS must provide a six-month advance notice to SCE prior to becoming eligible for BPS. SCE must receive this notice at least six months in advance of the date you intend to transfer to BPS. Once received by SCE, you will 1) have a three business-day rescission period after which this notification cannot be canceled,¹ and 2) receive confirmation of your notice to return to BPS in accordance with the provisions set forth in Rule 23. Accounts transferring to BPS will be transferred on the customer's next scheduled meter read date following completion of the six-month advance notice period unless the customer requests an immediate return to SCE (during the six-month advance notice period), in which case the customer's account will be served on Schedule PC-TBS, *Procurement Charge – Transitional Bundled Service*, for the advance notice period.

CCA Customers electing to return to SCE's service make a twelve (12) month minimum commitment to SCE and will not be eligible to return to CCA Service or Direct Access (DA) Service until their 12-month minimum commitment term has been fulfilled. Customers electing to return to SCE immediately, or during the 6-month advance notice period, will be served on Schedule PC-TBS for any portion of the six-month advance notice period that they are served by SCE, and are responsible for any related Community Choice Aggregation Cost Responsibility Surcharge (CCA-CRS) while served on Schedule PC-TBS. Service on Schedule PC-TBS will count toward the 12-month minimum commitment with SCE, consistent with Rule 23.

At the end of the minimum commitment term with SCE, customers have the option to return to CCA Service, as applicable, or DA Service, or remain on BPS based on the presiding rules.
